Dear Senior Activity Director:

Are you looking for an enjoyable excursion for your members? Look no further! The Great Pumpkin Farm is an established, quality event that celebrates the joys of the fall season.

One of the largest in the world, our 20-acre pumpkin patch provides guests with an opportunity to see how pumpkins grow and the variety of pumpkin shapes, colors and sizes. And, speaking of sizes - on display will be several of the largest pumpkins in the world – 1,000+ pounds each -- judged by the World Pumpkin Confederation!®

The **Pumpkin Palace** is a magnificently hand-crafted, country store with hundreds of Halloween decorations and an old fashioned candy counter that will delight the child in everyone.

No visit would be complete without a **special hayride through the Great Pumpkin Farm Enchanted Forest** where guests view the changing leaves and see our **live Farm animal family!**

Admission is \$7.00 per person (child or adult/chaperone), and hot coffee, real apple cider and fresh baked goods are available for purchase.

Everyone will enjoy the: “Cackling Hen Review”, a 10-minute hilarious animated chicken show!

The details of The Great Pumpkin Farm Group Program are included on the enclosed fact sheet. For additional information or to register, please call The Great Pumpkin Farm at (716) 759-8483.
